Senior Researcher

This certificate extension comprises 3 pages, of which this is the first one.

1. Applicant

Ursuk Oy
Teollisuuskatu 34
20520 Turku
Finland

2. Description and identification of the product

Type: Variable volume suit for diving

Name: Ursuit® Heavy Light Bronz

Size: Height 152-200 cm, chest girth 90-130 cm, boot size 39-46 (Scandinavian)

Description: A one piece variable volume suit for diving made of a bronz trilaminate nylon-butyl rubber-nylon fabric with attached neoprene hood, attached neoprene boots, watertight zipper running from left shoulder to right hip, integral suspenders, inlet and outlet valves with hoses. Natural rubber reinforcements on the knees. Two layers of fabric on the seat. Latex neck and wrist seals. Elastic traps attached to the back to be pooled over the crotch and fastened at the front with a snap lock. The suit shall be used according to the user's manual with appropriate gloves.

Manufacturer: Ursuk Oy, Turku, Finland

3. Alterations to the original product (EC type examination certificate no. 96265S02)

Ursuk Heavy Light Bronz has the same design and construction as Heavy Light FZ (Certificate 96265S02) with the following changes:

- A new colour is introduced: Bronz
- Retroreflective material is added to ankles, wrists and hood

4. Adequacy and validity of the technical documentation

The documents referred to and assessment in EC type examination certificate 95265S02 do apply. The modification of the product is documented adequately. No additional testing is needed.

5. Summary

The modified product and the accordingly modified technical documentation comply with the relevant basic health and safety requirements stated in Directive 89/686/EEC as amended by 93/95/EEC, 93/68/EEC and 96/58/EC.

Note: Any modification in design, materials, or in the technical documentation, carried out on this type-examined product must be brought to the attention of FIOH.

Appendix 1. Technical documentation

End of EC type examination certificate extension no. 96265S04.
